

Personal Statement

In 750 to 1000 words (English only), please tell us why you wish to study at DI and what are your expectations from the Institute. Please make sure your personal statement highlights:

- Your areas of perceived academic strength and weakness as well as languages proficiency and why you think you are qualified to study at the Institute
- Any Academic or practical experiences you went through and believe it contributed to building your capabilities and motivations as a researcher and scholar in the future
- Your future career plans and career aspirations

Important note: Your Personal Statement must be original. Special attention must be given to proper citation of any sources used. Please note that DI does not tolerate plagiarism or any other form of academic dishonesty. DI checks all writing samples for plagiarism and reserves the right to dismiss any applicant or admitted student who commits an academic honesty violation.
